

CAUTION: Print in actual scale (100% / 1:1), Verify Dimensions

Instructions:

1. Print in actual scale. Verify dimensions.
2. Glue the template onto cardboard to increase rigidity.
3. Cut along the dashed lines shown on the template.
4. Lay the template on the inside surface of the wheel hub.
5. Rotate the template around the wheel radius. Make sure there is at least 2.5mm (0.10") clearance between the template, the spokes, and the barrel of the wheel.
